SUBJECT: Your Appearance Before the House Armed Services  
Committee on 20 February

You are to appear at 10:00 on 20 February in Room 2118 Rayburn House Office to present the annual "Worldwide" briefing to House Armed Services. The Committee is aware that you will be leaving at 10:30. Committee staff has been told that you will deliver the first section, on Soviet political developments, and will take questions on that. They know that Larry Gershwin will then be in the Chair to deliver the rest of your statement and to moderate the question and answer period. Larry is well known to Chairman Aspin and other Members of the Committee, and they are pleased that he will be your stand-in.

Kim Wincup, the Staff Director, says that Members have not been furnished questions by staff. As you may recall, Kim is interested in the mobile missile problem, and Larry has been alerted to expect questions in that area. Kim is uncertain about the size of your audience--Members have a way of leaving town on Fridays.

and I will do the billboards for you and Larry. There is no truth to the rumor that we will wear Vanna White outfits.
